

## Connecting students with careers in the lumber and building materials industry

# BLD BIZCON NORTH 2024

Give your students the opportunity to network with key members of the lumber and building materials industry and increase their product awareness by attending the BizCon North (formerly Northwestern Building Products Expo) on Wednesday, February 7th at the DoubleTree by Hilton in Bloomington, Minnesota.

**There is no cost for students or instructors to attend the exhibit show and career presentation!**

Instructors and students are invited to walk the exhibit floor from 9:00 am - 12:00 pm where they will have the chance to:

- View the latest products in the lumber and building materials industry.
- Speak directly to supplier representatives to gain product knowledge.
- Network with potential future employers including independent lumber yards and building material suppliers.
- View product installations.

In addition to walking the show floor, students are invited to a career presentation from 8:30 am - 9:00 am. Learn more about careers in the building materials and construction industries from industry representatives.

BLD Connection is a proud sponsor of **Project Build Minnesota** which is made up of the designers, creators, and builders of the world, providing shelter and comfort for our communities and environment. Retail lumber dealers and their suppliers provide the products and services needed for these projects.

**To help prepare show materials for your group, please let us know the instructors who will attend and the approximate number of students. Please register by January 26, 2024. This registration can be emailed to Erica at [erica@bldconnection.org](mailto:erica@bldconnection.org) or faxed to (763) 595-4060.**
