Connect with hundreds of LBM industry experts on the show floor, explore the vast assortment of building products and services, and uncover the latest advancements!

Tuesday, January 20, 2026
1:30 pm – 5:30 pm

Wednesday, January 21, 2026
9:30 am – 12:00 pm

Speed Showcase

Get ready for a fun and fast journey into the realm of new innovations and groundbreaking ideas during the Speed Showcase located on the exhibit hall stage:

Tuesday, January 20, 2026
1:30 pm – 2:15 pm

Designed to immediately captivate, intrigue, and inform, this 45-minute session will feature participating exhibitors unveiling their newest products and programs in a quick-fire format; each company will have only a few minutes to share the highlights, features and benefits of their new product/program before we jump to the next company. Be among the first to learn about these newest innovations that are set to advance the LBM industry and then further your discussions by visiting the company booths after the showcase.
