

BankCard Credit Card Processing

BLD Connection's Credit Card Processing Program

Are you getting the best possible rates in the credit card market?

In partnership with Midwest Hardware Association, we use the purchasing power of our members to keep rates low! We process your Visa, MasterCard, Discover, and American Express, with the fastest turnaround time for payments of your funds.

Benefits of using BLD's Bankcard Credit Card Processing Program:

- Process electronic chips, increasing security on fraudulent transactions
- Free set-up
- Free reprogramming for compatible terminals
- Free Terminal operation support
- Free 24/7 service line available 365 days per year
- Monthly discount fee deduction vs. daily deduction
- Debit card processing
- Free online viewing of all transactions, batches, and deposits
- No application fees, monthly minimum fees, inactivity fees or terminal closing fees
- Dedicated staff with a specific contact servicing your account
- Compatible with many common point of sale systems
- Over 35 years of experience
- Assistance in validating your annual PCI compliance

BLD can provide you with a **FREE** cost comparison. Let us see if we can improve your processing cost and service.

For more information on the BankCard Program contact our bank card office at (715) 254-9600.
