2025 AND 2026 CONNECTION CONFERENCE DATES ANNOUNCED

NEW Mid-America Event Added to the Lineup

Plymouth, MN – BLD Connection is excited to announce dates and details for its upcoming Connection Conferences. Designed for leaders and team members in the lumber and building materials industry, these regional events bring together members for a full day of education, industry insight, and meaningful peer-to-peer connection.

New this year is the Mid-America Connection Conference, expanding access for members in Kansas, Missouri and surrounding states. Whether you are looking to sharpen your team's skills, reconnect with colleagues, or grow your industry relationships, the Connection Conferences provide a welcoming and effective way to engage.

- Thoughtful keynote sessions and expert industry panels
- Tabletop displays for casual supplier conversations and product knowledge
- An atmosphere of camaraderie and shared growth

Why It Matters

BLD Connection was built on the idea that we are stronger together. These events provide a chance for Retail and Associate Members to connect meaningfully. Retailers gain tools and ideas they can put to use right away. Suppliers gain insight and build rapport through real-time conversations. Both groups leave with stronger relationships that help move their businesses forward.

More details and registration information will be available soon at www.bldconnection.org.

Let's keep building together.
