

## Connecting students with careers in the lumber and building materials industry

Give your students the opportunity to network with key members of the lumber and building materials industry and increase their product awareness by attending the BizCon South (formerly Northwestern Building Products Expo) on Wednesday, February 19th at the Prairie Meadows Casino & Hotel, Altoona, Iowa.

**There is no cost for students or instructors to attend the exhibit show and career presentation!**

Instructors and students are invited to walk the exhibit floor from 9:30 am - 12:00 pm\* where they will have the chance to:

- View the latest products in the lumber and building materials industry.
- Speak directly to supplier representatives to gain product knowledge.
- Network with potential future employers including independent lumber yards and building material suppliers.

In addition to walking the show floor, students are invited to our student career panel from 9:00 am - 9:30 am. Learn more about careers in the building materials and construction industries from industry representatives.

(\*Please note that a private event will begin at noon, which is not included in the schedule for students and instructors.)

To help prepare show materials for your group, please let us know the instructors who will attend and the approximate number of students. Please register by February 7, 2025. This registration form can be emailed to Jodie at [jodie@bldconnection.org](mailto:jodie@bldconnection.org).
