General Terms & Conditions (5/10/22)

It is agreed that the term “advertiser” within the Insertion Order and these General Terms & Conditions refers to the entity purchasing the advertisement space. This entity, the advertiser, is listed on the Insertion Order. It is also agreed that the term “publisher” refers to the entity producing the publication—BLD Connection.

Submitting a signed Insertion Order constitutes a formal reservation from the advertiser for the advertisement specified in the Insertion Order and agreement to these General Terms & Conditions.

Submitting a signed Insertion Order constitutes the advertiser’s agreement to submit necessary artwork (correct to specifications) no later than the due date specified by the Insertion Order. Should the advertiser not submit artwork by the listed due date, the advertiser understands that either 1) the publisher will use art on file for the advertiser from the most recent issue of the publication or 2) their advertisement will not appear in the publication. The advertiser also understands that they are still obligated to pay the full advertisement rate as listed in the Insertion Order.

Should submitted artwork not meet the specifications, it is fully the advertiser’s responsibility to make the necessary changes to make the artwork correct to specifications and to submit the revised artwork no later than the due date specified by the Insertion Order. Should an advertiser’s artwork not meet specifications and the advertiser not be able to submit new artwork correct to specifications by the listed due date, the advertiser understands that they will be obligated to pay any production costs required to make their artwork correct to specifications or the advertisement will not be included in the publication. The advertiser also understands that, should their advertisement not appear in the publication due to incorrect artwork, they are still obligated to pay the full advertisement rate as listed in the Insertion Order.

Should an advertisement resemble editorial copy, the advertiser agrees that it will carry the word “Advertisement”.

The advertiser agrees that all submit artwork will be free of copyright.

The publisher is not responsible for errors in advertiser artwork.

The advertiser agrees to protect, indemnify, and hold harmless the publisher and its agents against any and all claims arising from the look and the content of the advertiser’s advertisement.

The advertiser agrees that all advertisements are subject to the approval of the publisher. The publisher reserves the right to refuse advertisement purchases or artwork for any reason including a conflict with the intent of the publication or the organization. Should the publisher refuse the advertiser’s artwork, it is fully the advertiser’s responsibility to make the necessary changes to make the artwork acceptable to the publisher and to submit the revised artwork no later than the due date specified by the Insertion Order. Should an advertiser’s artwork be refused by the publisher and the advertiser not be able to submit new artwork by the listed due date, the advertisement will not be included in the publication. Should this happen, the advertiser understands that their advertisement will not appear in the publication. The advertiser also understands that they are still obligated to pay the full advertisement rate as listed in the Insertion Order.

The publisher reserves the right to charge for ad design services.

The publisher reserves the right to cancel an ad contract at any time. Should the publisher enact this right, the publisher will refund the advertiser any fees paid for unfulfilled ad placements.

Invoices are payable within 30 days. A 1-1/2% interest charge per month will be assessed on all balances over 30 days.

There are no cancellations on preferred placements (i.e. covers, assigned locations, etc.) Other cancellations will not be accepted after the publication’s ad deadline. If an advertiser is receiving a multiple commitment discount and cancels, they will be billed the difference between the discounted rate and their earned ad rate. There is a 10% surcharge on cancelled, pre-paid contracts.
