# **Virtual Roundtable Learning Series**

## **New Group Starting This Fall!**

Roundtable groups are carefully organized peer groups which help each member grow and thrive as business owners and managers. To help our members connect with their LBM peers and discover the value of roundtables, BLD Connection is offering an online roundtable learning series.

During these 90 minute private online meetings, you have the chance to discuss today's business opportunities and the concerns you're facing with your colleagues, all from the comfort of your office. The group meetings will start off introductions and get to know your fellow group members, followed by five meetings featuring a topic expert to provide insight and guidance on industry best practices for various aspects of your business.

### **The Virtual Roundtable Series will include sessions on:**

**Introduction Meeting - November 7th**

**Operational Excellence - November 21st**

**Financial Excellence - December 19th**

**The 3 M's - Merchandising, Marketing & Margins - January 16th**

**Addressing Workforce Challenges - February 6th**

**Leadership and Goal Setting - March 20th**

**6 Meetings  
for only  
\$750  
per  
company**

In order to participate you must be a BLD Retail Member in good standing. BLD will be vetting each company to make sure the 2024 group best fits your company needs based on company size and other companies registering (must be non-competing companies). Companies will be allowed to have up to two team members participate in the roundtable meetings. To allow for open discussions and protect company privacy, these sessions will not be recorded.

**Group size will be limited so contact BLD office today.**
